

ACADEMIC
CITY

**UNLOCK
YOUR
POTENTIAL**

OUR NEW CAMPUS

#makeyourmark

WELCOME TO THE **FUTURE**

Academic City is changing tertiary learning in Africa with **activity-based learning** and **premium teaching talent**, complemented by our new **state-of-the-art** campus.

We offer **holistic education** to create well-rounded minds who can **proactively** and **conscientiously** contribute to local and global development.

Our dedicated focus on **experiential learning**, supplemented with development of **social and emotional intelligence** along with **ethical decision-making**, targets preparing our students to compete with **globally-trained talent**.

AMPHITHEATRE LECTURE HALL

ONE OF A KIND CAMPUS

Our new state-of-the-art campus facilitates premium calibre of teaching talent with high quality campus infrastructure.

- **Amphitheatre-style** lecture halls
- **Student-engaging** classroom designs
- **High-tech** equipment
- **Modern-design** engineering workshop
- **Residential** campus

INNOVATION & ENTREPRENEURIAL ETHOS

At Academic City, **innovation** and **entrepreneurship** are deemed core to a student's foundational learning and development.

We aim to instil in our students a drive to be **leaders of thought** and **initiators of ideas**.

Premium Calibre
Teaching Talent

TECHNOLOGY & ENTREPRENEURSHIP CENTER (TEC)

Technology & Entrepreneurship Centre [TEC]

TEC is Academic City's venture
Incubation programme that
provides an opportunity and
training-rich environment
for entrepreneurial ideas

Maker Lab

A technology work
space for
experimentation
and prototyping.

Fundamentals of Innovation & Entrepreneurship [FIE]

A TEC course that engages
students to apply fundamentals
of problem analysis and solution
synthesis to design solutions for
real-life problems

ACADEMIC CITY EDUCATION

The Academic City programmes have been designed to prepare students to **think critically, diagnose rationally** and **solve creatively** – the fundamental components to help students understand and develop their potential to become more practical and productive.

ENGINEERING

Africa needs more engineers to build its infrastructure, manufacturing and healthcare sectors, and alternative energy resources. Our engineering programmes are designed to prepare the next generation of engineering leaders to design and drive change.

Bachelor of Science in Electronics & Communication Engineering

Bachelor of Science in Computer Science & Engineering

Bachelor of Science in Mechanical Engineering

Bachelor of Science in Electrical & Electronics Engineering

BUSINESS

We have designed our IT programme to address the increasing need for IT to help communities participate globally on social and economic levels, while remaining competitive through the power of information and technology.

Bachelor of Science in Information Technology

INFORMATION TECHNOLOGY

With an understanding of the global business environment and growing African economies, our business programme prepares students to understand socioeconomic challenges and design practical business solutions.

Bachelor of Business Administration

- Specializations
- Accounting
 - Banking and Finance
 - Human Resource Management
 - Marketing

COMMUNICATION ARTS

We have designed our communication arts programmes to combine the understanding and practice of media, arts, public relations and culture, while innovatively integrating new technology and creativity.

Bachelor of Arts in Journalism & Mass Communication

Bachelor of Arts in Advertising & Public Relations

CAREER SERVICES

Our **Career Services Office** focuses on **personal** and **professional** development of students, in preparation for local and global career-paths.

Experience Building Opportunities

Internships

Full-time **Job** Placements

Career **fairs**

Job Readiness Trainings & Workshops

ETHICS & CULTURE

With a dedicated **Office of Student & Community Affairs**, we harbour an intrinsic culture to nurture student minds to be **distinctive** and **diverse**.

With a focus on collaborative innovation, we promote a **student-driven** campus through constructive communication, ethical conduct, and inclusive reasoning.

MEET OUR LEADERS

Dr. Fred McBagonluri
President

Dr. McBagonluri has over 17 years of experience, mostly from the USA, ranging across education, engineering, strategy and research.

Dr. McBagonluri holds an MBA from Massachusetts Institute of Technology (MIT), USA, and a Ph.D. in Materials Engineering from University of Dayton, USA.

Sunitha Jenarius
Director of Strategy

Sunitha has over 9 years of experience, mostly from the USA, ranging across management consulting, strategy, operations and entrepreneurship.

Sunitha holds a Master's degree in Electrical and Computer Engineering from Purdue University, USA.

Dr. Abhishek Tyagi
Dean Academic Affairs

Dr. Tyagi has over 20 years of experience, ranging across education, training, and information technology.

Dr. Tyagi holds an MBA in Marketing from GHS Institute of Management & Research, India and a Ph.D. in Marketing from CMJ University, India.

Ruth Kwakwa
Dean Student & Community Affairs

Ruth has 20 years of experience, ranging across educational administration, marketing and advertising.

Ruth holds a Master's degree in City Planning from Massachusetts Institute of Technology (MIT), USA.

ADMISSIONS

WASSCE/NECO:

Minimum C6 in 6 subjects including 3 core subjects (including Math + English) & 3 elective subjects

SSCE:

Minimum D or a pass in 6 subjects including 3 core subjects (including Math + English) & 3 elective subjects

IGCSE O-LEVEL & A-LEVEL:

Minimum of 5 credit passes in IGCSE O-Levels (including Math and English) and 3 passes or grade D in the A-Level

ENGLISH IB:

Minimum score of 4 in 3 higher Level (HL) subjects & in English & Mathematics

FRENCH IB:

Minimum of 50% pass including Mathematics & English

AMERICAN HIGH SCHOOL:

Minimum GPA of 3.0
